- The completion of any of the sections below supersedes any previous instructions on file with Pacific Life Insurance Company (PLIC). If any of the fields on this form are left blank, no change will be made to the current instructions on file with PLIC.

1. One-Time Transfer from Fixed Account to Indexed Account(s)

Transfer \$ _____ or _____ % from the Fixed Account to the Indexed Account(s).

2. One-Time Transfer from Indexed Account to Fixed Account on Segment Anniversary

Transfer \$ _____ or _____ % from the Indexed Account to the Fixed Account. The transfer will occur on the next Segment Anniversary.

Apply to: All Segments Specific Segment Anniversary date(s)*: _____ (mm/dd/yyyy)

A transfer from the Indexed Account to the Fixed Account will prevent future transfers to the Indexed Account for a 12-month period of time called the Lockout period. During this time, any payments will remain in the Fixed Account, and no transfer to the Indexed Account may take place, including a transfer as a result of a premium payment. Transfers to the Indexed Account can resume after the end of the Lockout period.

* Note: We will deduct transfer amounts proportionately from all Segments with the same Segment Anniversary dates.

3. Payment Transfers after Premium Payment and/or Loan Repayment

Complete this section to change the amount* to be automatically transferred from the Fixed Account to the Indexed Account(s) selected below on the next transfer date.

Percentages below must be in whole numbers. The sum of the percentages must equal 100%. Actual transfer amounts will be limited to the balance in the Fixed Account as of the transfer date.

_____ % to the Fixed Account _____ % to the Indexed Account

Total: _____ % MUST EQUAL 100%

Cancel Payment Transfer Instructions.

* The amount automatically transferred is the lesser of 1) your selected transfer percentage multiplied by all premium payments and loan repayments paid since the last transfer date; and 2) the balance of the Fixed Account as of the applicable transfer date

4. Scheduled Indexed Transfer (SIT) from Fixed Account to Indexed Account(s)

Complete this section to request scheduled indexed transfers from the Fixed Account to the Indexed Account on the next applicable transfer date. This request supersedes any existing schedule. Only one SIT is allowed at any time.

i. Transfer Amount: Choose Option A or B (Required)

- Option A** I would like to transfer \$ _____ on each transfer date into the Indexed Account
- Option B** I would like Pacific Life to calculate the transfer amount.

Pacific Life will leave an amount in the Fixed Account to cover estimated monthly charges for the next 12-month period. The transfer amount is determined after subtracting estimated monthly charges for the next 12 months from the Fixed Account at the time of SIT enrollment. Contact us at any time to have the transfer amount recalculated based on the current monthly charges since the transfer amount will not automatically recalculate.

ii. Frequency of Transfers: How often do you want transfers to occur? If none is selected, **default is monthly.**

- Monthly
- Quarterly

iii. Transfer Duration: How long do you want transfers to occur? If none is selected, **default is no end date.**

- No End Date
- End after _____ # of transfers (**A new SIT request is required to continue SIT after the end date.**)

iv. Cancel Scheduled Indexed Transfer

- Check here to cancel current transfer schedule

IMPORTANT INFORMATION:

- If you have provided previous instructions to allocate 100% of your payments to the Indexed Account(s), then a SIT may not be applicable. The existing payment transfer instructions will automatically transfer your payments from the Fixed Account into the Indexed Account(s) on the next applicable transfer date.
- SIT may not be applicable if modal payment frequency is monthly EFT.
- If no end date is selected transfers will continue as long as there are funds in the Fixed Account. If the Fixed Account is depleted, transfers will restart once funds are deposited into the Fixed Account.
- If Option B is selected:
 - The calculation is based on the Fixed Account balance at the time the request is processed.
 - If No End Date is selected as the duration, the transfer amount will not be recalculated when subsequent premium is received.
 - A new request must be received to recalculate the transfer amount.
- The actual number of transfers may vary due to loans, withdrawals, premium payments, loan repayments, monthly charges and interest credits.

5. Segment Maturity Reallocation Complete this section to reallocate the Segment Maturity Value to new segment(s).

Important: If there is an Alternate Loan on your policy, Segment Maturity Reallocation limitations may apply. Please review the Alternate Loan Rider in your policy or contact your Life Insurance Producer or Customer Service for information.
