INSTRUCTIONS - POLICY CHANGE APPLICATION

When to use this form

Use this form to request changes in coverage on an in-force policy. The "Type of Change" column on the following pages of this form provides a list of policy changes you may request.

Do not use this form for:

Term Rider or Term Policy Conversion – Complete the "Term Policy Conversion Request Application" form and follow the submission instructions on the form.

General Information

<u>Policy Coverages</u>, <u>Riders</u>, <u>Benefits</u>, and <u>Fees</u> - Information on coverages, riders, benefits, changes that are allowed, and how those changes will affect your policy, can be found in the policy and rider provisions.

Effective Date – In most cases, the effective date on certain transactions will be determined in part by the date all requirements are received, PLIC approval, and/or language contained in your policy.

<u>Decrease in Benefits or Coverages</u> - If the policy is within 15 years of the issue date and if a withdrawal was processed in the last two years, PLIC will determine if the decrease will result in a tax reportable event. If the decrease results in a tax reportable event, we will contact the policyowner prior to processing to confirm they would like to move forward with the decrease in coverage.

<u>Risk Classification Change</u> - Not all risk class changes, or classifications are available for all products. Evidence of insurability is required for risk class changes. Underwriting will consider a risk class based on the forms and evidence submitted. Please note that submission of any requirements does not guarantee approval.

Other Changes – If the change you are requesting is not listed, indicate the requested change in the Additional Changes/Remarks Section of the Policy Change Application or contact our office for instructions.

Evidence of Insurability Requirements

Underwriting requirements vary based upon the type of change requested. The underwriter reserves the right to request additional requirements, such as a paramed exam, labs, attending physician's statements or questionnaires.

Additional Form Requirements – Based on the type of policy change, one or more of the following state specific forms may be required.

- Supplemental Application for Children's Term Insurance
- Individual Life Insurance Application Part II Medical History
- Authorization to Collect and Disclose Information
- Proposal/Quote
