If received at or after the time of the close of the NYSE, the request will be effective as of the end of the next business day.

**For Products with Indexed Accounts:** Unless specific investment options are requested, the loan amount is first taken proportionally from the policy's Fixed and Variable investment options' accumulated value. Any loan that reduces the Indexed Account(s) may prevent future transfers to the Indexed Account(s) for a 12-month period of time called the Lockout Period. ### 7. Tax Withholding/Reporting

**Federal Income Tax Withholding:** PLIC is required by law to withhold a minimum of 10% for federal taxes on any taxable portion of the lump sum payment made under the above policy. You may elect not to have income tax withheld by checking the appropriate box. If you elect to have taxes withheld, check the third box below in the Federal Tax Reporting column, and submit the required IRS W-4R tax form, which can be found on IRS.gov.

If you elect not to have withholding apply to your payment, or if you do not have enough income tax withheld from your payment, you may be responsible for payment of estimated tax. You may incur penalties under the estimated income tax rules if your withholding and estimated tax payments are not sufficient.

**State Income Tax Withholding:** Tax withholding rules vary by state. Some states do not have state income tax and withholding may not be applicable. In other states withholding may be elected or mandatory, or may even require you to submit a state specific withholding certificate/form. Where your state does not allow you to make withholding elections through the use of this form or may require a state specific form in order to do so, we may be required to withhold a mandatory default amount/percentage if the required form is not submitted, or no election is made. Please consult with your tax advisor to determine what may be required in your situation.
